

Push Pull legs (PPL)

PUSH:

In push day we target out Chest Shoulders and Triceps muscle.

Warm up:

- 5 minutes light cardio
- Band shoulder warmup
- Do 1st few exercise in a light weight before the main workoung set. It will help you to warmup your muscle properly without going for the main working set.

Workout:

1. Bench Press: 2 sets and 6 to 10 reps
2. Incline Dumbell Press: 3 sets and 6 to 10 reps
3. Machine flys: 2 sets to 6 to 10 reps
4. Seated shoulder press: 2 sets and 6 to 10 reps
5. Lateral Raises: 3 sets and 8 to 12 reps
6. Tricpes Pushdown: 2 sets 8 to 12 reps
7. Overhead triep Pushdown: 2 sets and 8 to 12 reps

(If you gonna do 6 days a week you can add try to focus on upper chest one day and mid and lower part on another day)

Pull:

In Pull day you gonna focus on Back, Biceps and Forearms:
